www.hackshade.in

Company Summary

We are young & growing !

Team Hackshade is providing technology consulting services to government and private organizations in Chhattisgarh Since 2015.

We are one of the most trusted technology team in Chhattisgarh. We aim to deliver success to clients all over India. Hackshade Technologies Private Limited is a registered technology company under Ministry of Corporate Affairs, Start-up India, MSME & is also GST compliant to serve you professionally during business.

Our Mission

At Hackshade Technologies, our mission is to empower businesses by delivering innovative, customized software and website solutions that drive growth, enhance efficiency, and foster digital transformation. We are committed to leveraging the latest technologies to create impactful, user-centric products that meet the unique needs of our clients. Through excellence, integrity, and continuous learning, we aim to contribute to the global tech landscape while nurturing local talent and fostering a culture of creativity and collaboration.

Our Vision

Our vision is to establish Hackshade Technologies as a leading IT solutions provider known for its innovation, quality, and commitment to the community. We aspire to position Chhattisgarh on the global IT map, fostering a dynamic environment where local expertise meets international standards. By bridging global opportunities with regional talent, we aim to enhance both our client's success and the overall economic landscape of the region.

Our Core Values

Innovation and Excellence

We foster an environment where our team is encouraged to develop their skills and enhance their personalities, driving innovation and excellence

Unwavering Client Support and Integrity

We provide exceptional support to our clients, ensuring they are never left in a difficult position and offering guidance even outside active engagements.

Embracing Challenges and Perseverance

We tackle new challenges with enthusiasm, viewing setbacks as opportunities to learn and grow, and remain dedicated to achieving our clients' goals.

Proactive Structuring for Future Success

We design our projects, workflows, and solutions with a forward-thinking approach, anticipating future challenges and ensuring long-term success for our clients.

Unwavering Commitment to Customer Satisfaction

We deliver the right solutions within budget, maintaining transparency and competitive pricing to build lasting, trust based relationships with our clients.

Our Services

Social Media Marketing

We manage your social media accounts, create posts, reels, and carousels, and advertise to reach your target audience - boosting your visibility and sales on platforms like Facebook, Instagram, and YouTube.

Search Engine Marketing

We optimize your online presence through search engine marketing, creating targeted ads to drive traffic, increase visibility, and boost sales on platforms like Google and Bing.

Web Designing & Maintenance

We design and maintain websites tailored to your needs, ensuring a user-friendly experience, seamless functionality, and regular updates to keep your site performing at its best.

Content Creation & Designing

We create and design engaging content, including reels, motion graphics, and visuals, to effectively communicate your brand message and captivate your audience.

Influencer Marketing

We connect your brand with the right influencers to create impactful collaborations, increasing reach, engagement, and trust among your target audience.

Conversion Rate Optimization

We improve your conversion rates by optimizing your website, implementing marketing automation, and designing effective sales funnels to turn visitors into loyal customers.
